FOUNDRY
management & technology

1986 Annual Editorial Index

By Subject and Title

Automation/Technology/Modernization

Consolidated Casting Moves Into New $5-Million Foundry ..... Nov. 22
Integrating New Technology in an Automated Foundry--Part II ..... Jan. 80
Local Government Loans Key To Geneva Foundry Modernization ..... Aug. 22
Metalcasting Technology Review--1986 ..... Dec. 41
Saginaw Grey Iron--A World-Class Foundry ..... July 23

Computers/Software/Controls/Drives

Bar Codes Speed Casting Production ..... Jan. 34
Compucast III Conference & Hardware/Software Fair ..... Feb. 62
Foundrymen Study Computer Integrated Manufacturing ..... Feb. 62
Lynchburg Foundry Computerizes Tooling Design ..... Feb. 32
Programmable Controllers on Diecasting Machines Monitor ShotProfile (O/R) ..... Feb. 50
Using Computers in Metalcasting--Part I ..... Apr. 32
Using Computers in Metalcasting--Part II ..... May 57

Editorials

A Plague of Politicians ..... Apr. 5
Another Day of Infamy ..... June 5
Credit Us for Mandated Costs ..... Feb. 5
Fingering the Economy ..... Aug. 5
Is Your Foundry Building for the Future ..... Nov. 5
The Best Gets Better ..... Sept. 5
The Giant That Shrank ..... May 5
Times That Try Men's Souls ..... July 5
United We Prosper, Divided We Fall ..... Dec. 5
Waiting for Business or Planning for It ..... Oct. 5
Where Have All the Castings Gone ..... Mar. 5
Year of Decision ..... Jan. 5

Governmental Affairs/International

Diecasters Get $200,000 Federal Grant ..... Dec. 14
Emerging Foundry Industry in China ..... Oct. 18
English Foundry Industry: A Brief Report ..... May 22
Fair Trade Group Wants U. S. Action ..... Feb. 12
ITC Cites Exporters of Unfair Castings ..... June 12
ITC Holds Hearing on CMF Petition ..... May 12
Malleable Iron Castings Are Dumped ..... Mar. 12
Metalcasters To Fight Inferior Imports ..... Oct. 10
Rejects CMF Petition for Import Relief ..... July 14
Senate Approves Tort Reform Bill ..... Aug. 12
Senate Looking at Trade Laws ..... Sept. 14
U.S. Foundry Industry Files Major Global Import Relief Case ..... Jan. 44
USITC Says Canadians Dump Castings ..... Apr. 12

Management/Labor/Marketing

AFL-CIO Tells How To Stop Job Losses ..... Nov. 12
Close-Up View of ESOPs ..... Sept. 32
Foundry Industry--Looking Back, Looking Forward ..... Aug. 53
Growing Your Own Future Professional Staffers ..... Dec. 50
How To Sell To Defense Contractors ..... Nov. 44
1986 Casting Shipments: Up 8.8% ..... Jan. 26
PACE--A Profit Performance Plan ..... June 34
Trade Groups Hone Programs To Help Foundry Management ..... Dec. 24

Material Handling/Robotics/Manipulators

Casting Handling Turntable Improves Cleaning Efficiency (O/R) ..... June 68
Material Handling/Robotics (DATABOOK) ..... Dec. F1
Operating Features and Applications of Manipulators ..... Sept. 38
Systems Approach To Conveying Foundry Materials ..... Oct. 26
U.S. Robot Shipments Rose 43% in Second-Quarter '85 ..... Jan. 116

Melting/Refractories/Metal Pouring

Automatic Pouring for Short Runs--Pro and Con ..... May 28
Automatic Pouring System Can Operate Up To 480 Molds/Hour (O/R) ..... Aug. 41
Automatic Pouring System for Brass Reduces Scrap, Increases Yield (O/R) ..... Nov. 54
Ceramic Foam Filters Reduce Rework of Steel Castings (O/R) ..... June 67
Electric Furnace Conference Focuses on New Technology ..... Feb. 54
Induction Melting Allows Flexibility in Pouring Several Metals (O/R) ..... Oct. 55
Innovative Automatic Pouring System (O/R) ..... Aug. 41
Kelly, O.S., Modernizes Furnace With Twin-Loop Inductors (O/R) ..... Dec. 52
Ladles Preheated Electrically Reduce Energy Costs (O/R) ..... May 50
Melting/Refractories (DATABOOK) ..... Dec. B1
Metal Pouring/Filtering (DATABOOK) ..... Dec. C1
Standby Furnace Controller Is Programmed Off Line (O/R) ..... Apr. 78

Metals/Alloys/Casting Processes

ADI Castings Promise Substantial Growth ..... Aug. 18
Advances in High Alloy Steels ..... Aug. 49
Alloying CG Irons with Copper and Nickel ..... July 50
Alloys/Metals/Heat Treating (DATABOOK) ..... Dec. A1
Ammunition Carrier Investment Castings Require No Machining (O/R) ..... Jan. 66
Controlling Inclusions in Large Steel Castings ..... Feb. 66
European Trends in Automotive Casting Production ..... July 32
Heat Treating for Casting Quality--Part I ..... Aug. 24
Heat Treating for Casting Quality--Part II ..... Sept. 38
Howmet Qualifies Titanium Investment Casting for Helicopter Use (O/R) ..... June 84
Mechanical Properties of Austempered Ductile Iron ..... July 36
Postinoculating Ductile Iron With Graphite ..... Feb. 36

Molding/Coremaking/Tooling/Patterns

Evaporative Pattern Casting Developments ..... Oct. 36
Green Sand Molding Technology--Review and Outlook ..... Apr. 22
Molding/Coremaking/Patterns (DATABOOK) ..... Dec. E1
Updating Resin Binder Process--Part I ..... Feb. 22
Updating Resin Binder Processes--Part II ..... Mar. 53
Updating Resin Binder Processes--Part III ..... Apr. 90
Updating Resin Binder Processes--Part IV ..... May 62
Updating Resin Binder Processes--Part V ..... June 46
Updating Resin Binder Processes--Part VI ..... July 84
Updating Resin Binder Processes--Part VII ..... Sept. 90
Updating Resin Binder Processes--Part VIII ..... Oct. 42
Updating Resin Binder Processes--Part IX ..... Nov. 46

Safety/Health/Environment

Protecting the Foundry Worker ..... Nov. 30
Safety/Health/Environment (DATABOOK) ..... Dec. I1

Sand/Binders/Sand Preparation

Sand/Binders/Sand Preparation (DATABOOK) ..... Dec. D1
Thermal Sand Reclaimers Use Preheated Combustion Air (O/R) ..... Dec. 54

Shakeout/Cleaning/Finishing/Machining

Hydraulic Sprue and Riser Removal Increases Productivity, Quality & Safety (O/R) ..... Dec. 52
Machining Castings as a Marketing Tool ..... Sept. 26
Shakeout/Cleaning/Finishing (DATABOOK) ..... Dec. G1

Testing/Inspection/Measurement

Alcoa Foundry Trims X-Ray Testing Time (O/R) ..... June 82
Automated Hardness Tester Reduces Costs, Increases Productivity (O/R) ..... Sept. 70
Castings up to 22 in. Thick Are X-Ray Inspected (O/R) ..... Feb. 51
Fiberoptics Instrumentation Simplifies Casting Inspection (O/R) ..... Apr. 78
Low-Frequency Vibrator Relieves Stress at Low Cost (O/R) ..... Jan. 66
Measuring for Quality Assurance ..... June 22
Radiography Scanner Automates Inspection of Turbine Blade Castings (O/R) ..... Sept. 72
Spectrophotometer Analyzes Metals, Plus Wastewater, at ACIPCO (O/R) ..... Sept. 70
Testing/Inspection/Measurement (DATABOOK) ..... Dec. H1

Trade Shows/Associations/Societies

All Roads Lead To AFS Casting Congress in Minneapolis ..... Apr. 38
British Foundrymen and Suppliers Analyze Problems ..... July 46
CMA Is Building Understanding in Washington ..... Dec. 30
CMF Meeting Promotes Trade Remedies ..... May 32
Diecasting Industry Expands Marketing Efforts (ADCI) ..... Dec. 28
Equipment/Materials Suppliers Look To Foundry Future (FEMA) ..... Jan. 74
FEF Conference Features "People, Processes, Materials" ..... Jan. 88
Foundry Suppliers Analyze Changing Markets (FEMA) ..... June 77
Highlights: 1986 AFS Casting Congress--Part I ..... July 78
Highlights: 1986 AFS Casting Congress--Part II ..... Aug. 42
Highlights: 1986 AFS Casting Congress--Part III ..... Sept. 100
Highlights: 1986 AFS Casting Congress--Part IV ..... Oct. 48
Investment Casters Deal with Flattened Growth Curve (ICI) ..... Dec. 32
Metalcasting Highlights at Britain's Metals Engineering '86 ..... Nov. 38
NFFS Survey Sets Priorities for New Programs ..... Dec. 36
New Funding Methods Allow Expanded Steel Casting Research (SFSA) ..... Dec. 38
New Name and Aims Reflect Commitment To Casting Industry (CISA) ..... Dec. 26
Profit-Minded Foundrymen Meet at Minneapolis AFS Congress ..... June 72
Restructuring Opens Membership To All Casting Producers (MCS) ..... Dec. 34

FOUNDRY
management & technology

1986 Annual Editorial Index(continued)

By Authors

A

Archibald, James J., and Carey, Paul R.
Updating Resin Binder Processes--Part II ..... Mar. 53
Updating Resin Binder Processes--Part III ..... Apr. 90
Ashton, M.C.; Sims, B.J.; and Sharman, S.G.
Integrating New Technology in an Automated Foundry--Part II ..... Jan. 80

B

Bidwell, Henry T.
Investment Casters Deal with Flattened Growth Curve ..... Dec. 32
Blatzer, Bruce T.
Lynchburg Foundry Computerizes Tooling Design ..... Feb. 32

C

Carey, Paul R., and Coauthors (See listings for Archibald, James J.; Jhavar, Satish; Schneider, James T.; Sturtz, Gregory P.;Tordoff, William L.; and Wade, Thomas C.)
Updating Resin Binder Processes--Part I ..... Feb. 22
Updating Resin Binder Processes--Part II ..... Mar. 53
Updating Resin Binder Processes--Part III ..... Apr. 90
Updating Resin Binder Processes--Part IV ..... May 62
Updating Resin Binder Processes--Part V ..... June 46
Updating Resin Binder Processes--Part VI ..... July 84
Updating Resin Binder Processes--Part VII ..... Sept. 90
Updating Resin Binder Processes--Part VIII ..... Oct. 42
Updating Resin Binder Processes--Part IX ..... Nov. 46
Cole, Gerald S.
Using Computers in Metalcasting--Part I ..... Apr. 32
Using Computers in Metalcasting--Part II ..... May 57
Cooper, Jay
How To Sell To Defense Contractors ..... Nov. 44

D

Davis, Russell D.
Diecasting Industry Expands Marketing Efforts ..... Dec. 28
Day, Dr. Wallace
Foundry Industry--Looking Back, Looking Forward ..... Aug. 53
Dorazil, Prof. Eduard
Mechanical Properties of Austempered Ductile Iron ..... July 36

G

Gledhill, A. Gordon, Ruffner, Howard E., and Heine, Hans J.
Emerging Foundry Industry in China ..... Oct. 18
Gruer Jr., Albert W.
Restructuring Opens Membership to All Casting Producers ..... Dec. 34

Hathaway, Roger G.
CMA Is Building Understanding in Washington ..... Dec. 30
Heine, Hans J.
ADI Castings Promise Substantial Growth ..... Aug. 18
SFSA Sponsors 1st International Steel Foundry Congress ..... Mar. 59
Advances in High Alloy Steels ..... Aug. 49
Electric Furnace Conference Focuses on New Technology ..... Feb. 54
Emerging Foundry Industry in China ..... Oct. 18
English Foundry Industry: A Brief Report ..... May 22
Evaporative Pattern Casting Developments ..... Oct. 36
Green Sand Molding Technology--Review and Outlook ..... Apr. 22
Heat Treating for Casting Quality--Part I ..... Aug. 24
Heat Treating for Casting Quality--Part II ..... Sept. 78
International Foundry Congress Meets in Australia ..... Mar. 32
Measuring for Quality Assurance ..... June 22
Metalcasting Highlights at Britain's Metals Engineering '86 ..... Nov. 38
Metalcasting Technology Review--1986 ..... Dec. 41
Plasma-Fired Cupola Promises Melting Economies ..... Mar. 28
Huskonen, Wallace D.
A Systems Approach To Conveying Foundry Materials ..... Oct. 26
Protecting the Foundry Worker ..... Nov. 30
Trade Groups Hone Programs To Help Foundry Management ..... Dec. 24

I

Iannettoni, Louis
NFFS Survey Sets Priorities for New Programs ..... Dec. 36

J

Jhavar, Satish, and Carey, Paul R.
Updating Resin Binder Processes--Part IX ..... Nov. 46

K

Kaveny, William A.
New Name and Aims Reflect Commitment to Casting Industry ..... Dec. 26

Kincaid, W. C.
Controlling Inclusions in Large Steel Castings ..... Feb. 66

M

Mallya, U. D., and Sudarshan, T. S.
Postinoculating Ductile Iron with Graphite ..... Feb. 36
Matschulat, Walter R.
New Funding Methods Allow Expanded Steel Casting Research ..... Dec. 38
Miske, Jack C.
A Plague of Politicians ..... Apr. 5
CMF Meeting Promotes Trade Remedies ..... May 32
FEF Conference Features "People, Processes, Materials" ..... Jan. 88
Another Day of Infamy ..... June 5
Cast Metals Federation Meeting Promotes Trade Remedies ..... May 32
Credit Us for Mandated Costs ..... Feb. 5
Equipment/Materials Suppliers Look To Foundry Future ..... Jan. 74
Fingering the Economy ..... Aug. 5
Foundry Suppliers Analyze Changing Markets ..... June 77
The Giant That Shrank ..... May 5
Times That Try Men's Souls ..... July 5
Where Have All the Castings Gone ..... Mar. 5
Year of Decision ..... Jan. 5
Murthy, V.S.R., and Seshan, S.
Alloying CG Irons with Copper and Nickel ..... July 50

N

Noguchi, Toru, and Wallace, J. F.
Converting Rockwell B. Hardness Readings to BrinellHardness Numbers ..Apr. 96

R

Robinson, David C.
The Best Gets Better ..... Sept. 5
Rodgers, Robert C.
NFA Anticipates Better Labor/Management Relations ..... Apr. 82
Automatic Pouring for Short Runs--Pro and Con ..... May 28
Bar Codes Speed Casting Production ..... Jan. 34
Consolidated Casting Moves Into New $4-Million Foundry ..... Nov. 22
Foundrymen Study Computer Integrated Manufacturing ..... Feb. 62
Machining Castings as a Marketing Tool ..... Sept. 26
Is Your Foundry Building for the Future ..... Nov. 5
Programmable Controllers Are Computer Look-Alikes ..... Mar. 22
United We Prosper, Divided We Fall ..... Dec. 5
Waiting for Business or Planning for It ..... Oct. 5
Roe, S. A.
Controlling Inclusions in Large Steel Castings ..... Feb. 66
Rosen, Corey
A Close-Up View of ESOPs ..... Sept. 32
Ruffner, Howard E., Gledhill, A. Gordon, and Heine, Hans J.
Emerging Foundry Industry in China ..... Oct. 18

S

Schneider, James T., and Carey, Paul R.
Updating Resin Binder Processes--Part IV ..... May 62
Seshan, S., and Murthy, V.S.R.
Alloying CG Irons with Copper and Nickel ..... July 50
Sharman, S.G.; Ashton, M.C.; and Sims, B.J.
Integrating New Technology in an Automated Foundry--Part II ..... Jan. 80
Sims, B. J.; Sharman, S. G.; and Ashton, M. C.
Integrating New Technology in an Automated Foundry--Part II ..... Jan. 80
Strathdee, Kenneth
PACE--A Profit Performance Plan ..... June 34
Strizik, Dr. Peter
European Trends in Automotive Casting Production ..... July 32
Sturtz, Gregory P., and Carey, Paul R.
Updating Resin Binder Processes--Part I ..... Feb. 22
Updating Resin Binder Processes--Part VI ..... July 84
Sudarshan, T. S., and Mallya, U. S.
Postinoculating Ductile Iron with Graphite ..... Feb. 36

T

Tordoff, William L., and Carey, Paul R.
Updating Resin Binder Processes--Part VIII ..... Oct. 42

W

Wade, Thomas C., and Carey, Paul R.
Updating Resin Binder Processes--Part VII ..... Sept. 90
Wallace, J. F., and Noguchi, Toru
Converting Rockwell B. Hardness Readings to BrinellHardness Numbers ..Apr. 96
Waninger, Dirk
Operating Features and Applications of Manipulators ..... Sept. 38
Winters, Donald L., and Carey, Paul R.
Updating Resin Binder Processes--Part V ..... June 46
